

NOONTIME ENRICHMENT

TO: 2nd, 3rd, 4th and 5th Grade Parents

Re: **Instructors and Volunteers Needed**
Please respond by Monday, November 28th

Noontime Enrichment provides a great opportunity to enhance your child's education by offering unique and fun programs during the winter. Through the many special talents, knowledge and skills of our parents and grandparents, your child is able to experience interesting and fun activities during their lunch hour.

These programs are offered to students one day per week for five weeks. It gives kids the wonderful opportunity to participate in fun and exciting activities and parents/grandparents have the chance to share quality time with their kids/grandkids by volunteering to help.

In past years, we have offered great programs like Bookworm, Legos, Math Games, Mad Science, Rockets, Knitting, Art, Winter Sports, Healthy Tasty Treats, Crafts, Chess, Drama, Indoor Game Challenge, Scrapbooking and Beading/Jewelry Making. Other potential areas include Computer Workshops, Music/Rock n' Roll Through the Ages, Fashion, Exploring Foreign Cultures (music, food, song, dance, crafts) and we welcome other topics that would be interesting and fun for the kids.

Time Commitment:

- *Begins - **Monday, January 9th** and continues for 5 weeks (ends February 13th)
- *Your commitment - one day per week from 11:50 – 12:40 (**a total of only 5 hours**)
- *Class day of the program will be based on your schedule

Parent/Grandparent Instructors Needed:

- *Share your special talent, knowledge or skill on a topic of your choice; or pick a topic from above -- Select your topic and day of availability

Parent/Grandparent Volunteers Needed:

- *Your assistance is needed in the classroom to help students and instructors
- *No special skills or talents needed (just come and help out) -- Select your available day

Noontime Enrichment is a great program and **we need you** to make it successful!

Please contact Michelle Rowe at mrowe@sju.edu by **Monday, November 28th** if you would like to help. The success of this program is completely dependent on volunteers.

*****PROGRAM REGISTRATION BEGINS ON DEC 12TH and runs through DEC 21st *****
