

2012 NOONTIME ENRICHMENT – CLASS REGISTRATION

All 2nd, 3rd, 4th and 5th Grade Students and Parents

Noontime Enrichment is a 5-week program organized by the PTA during the winter as an alternative to indoor recess. It is designed to enhance our children's education by offering fun and educational programs through the many talents, knowledge and skills of our parent and grandparent volunteers.

-How are Noontime Enrichment classes assigned?

Every effort is made to accommodate your 1st choice. However, most classes have enrollment limits of 10-20 students. If your child does not get his/her first choice, every effort will be made to place them in their 2nd or 3rd choice. Requests are processed in the order they are received. Class registration starts on Tuesday, December 13th and ends **no later than Tuesday, December 20th**. The best way to increase your chance of getting your 1st choice is to get your form in on the first day or shortly after.

Because class lists need to be finalized by the holiday break **no assignments will be made to any class after December 22nd**, so it is very important to get your registration form in early.

-Can I participate in two Enrichment classes instead of only one?

No. We need to have room for everyone.

-Does my child have to participate?

No. This program is completely optional and voluntary.

-Why does my child have to bring lunch?

These programs are offered in classrooms during lunch period (11:50-12:40). Going to the cafeteria to purchase lunch takes time away from the fun. However, if a child needs to purchase lunch for any reason they will need to check in at the Enrichment class FIRST, and then go to the cafeteria.

-How will I be informed of my program selection?

Students will be notified of their selection when they return from winter break. Classes begin during the week of January 9th and run for 5 weeks until February 13th.

THE EHS PTA thanks all of the parent/grandparent volunteers who help make Noontime Enrichment possible each year!

Please feel free to contact Michelle Rowe at mrowe@sju.edu with any questions.
